Overview

This document provides step-by-step instructions that facilitate the Federal Program Office's (FPO) navigation of the Grants Online system.

Accessing Grants Online

1. Type https://grantsonline.rdc.noaa.gov in the address bar of your browser to launch the Grants Online home page.

2. Before logging into Grants Online, the user can access the public search feature, the Grants Online training page, and other useful links from this screen.
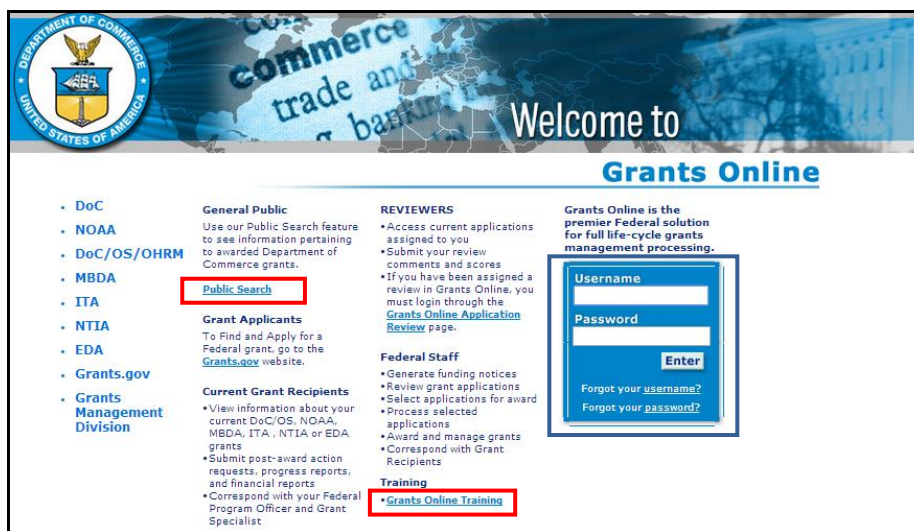

WARNING!

If the user enters his/her username or password incorrectly, s/he will see a red error message on the screen. After three unsuccessful attempts to log in, the system locks the user out of his/her account. The user must click the "**Forgot your password?**" link and provide the correct responses to his/her security questions. If the issue is "**Forgot your username?**" click that link to obtain the Help Desk phone number.

Grants Online Navigation Features

Access to most Grants Online features is determined by the user's role. Each registered user is given a role and level of access sufficient to accomplish his/her assigned tasks.

Screen Layout

When the user has successfully signed into Grants Online, the system will default to the Inbox Tab. Grants Online is divided into several content areas:

- **Tabs**: Highlighted by a red border at the top of the screen. Use the tabs to navigate to the different areas of Grants Online.

- **Navigation Pane**: Highlighted by a green border on the left-hand side of the screen. The options displayed in the navigation pane are determined by the active tab. Click on the desired link to go to that content area of Grants Online.

- **Document Pane**: Highlighted by a black border located in the middle of the screen. This is where most of the Grants Online details and information are displayed.
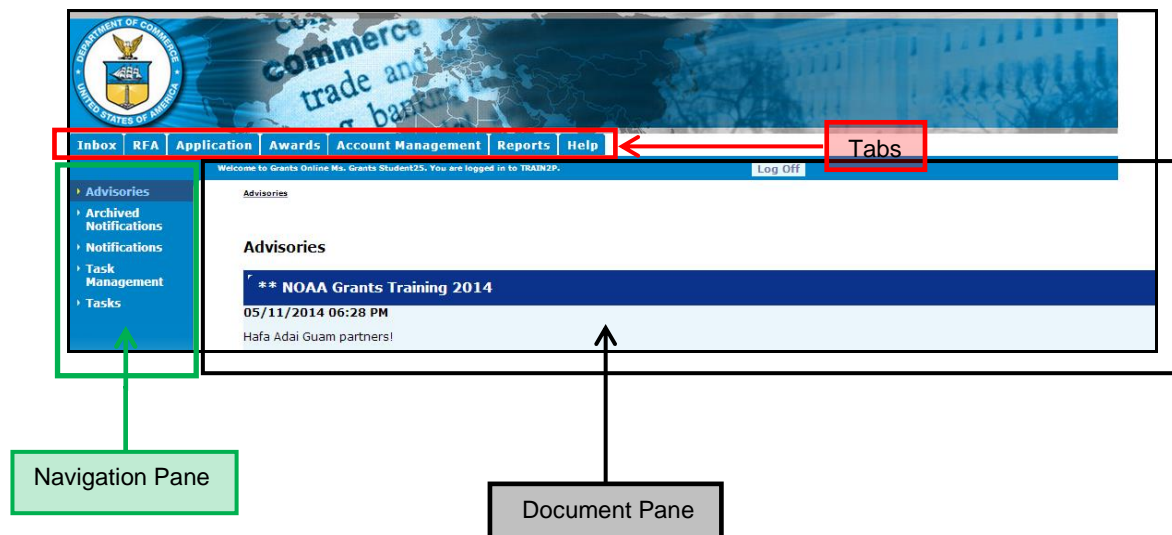

User Interface Features

Pop-Up Short Cuts

When the user places the cursor over a tab at the top of the screen, s/he will see a pop-up menu that contains the same links as the left navigation pane for that tab. This allows the user to navigate directly to a content area without first having to click the tab.
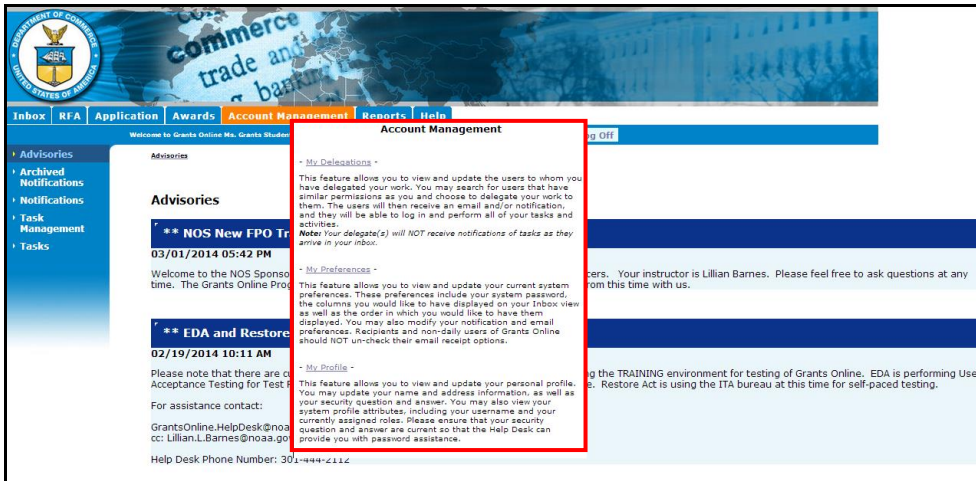

Breadcrumbs

The Grants Online system keeps track of the pages the user has visited since s/he last signed on. The software puts a "breadcrumb trail" of those pages at the top of the document pane. This feature should be used instead of the browser's "Back" button.
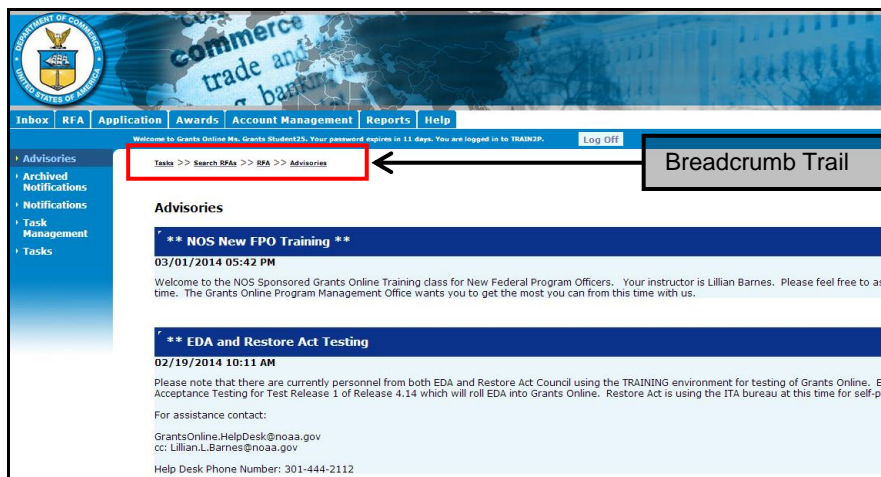

WARNING!

Please **DO NOT** use the browser's "Back" button in Grants Online. Using the browser's "Back" button may sign you out of Grants Online.

Help Tab

When the user clicks the Help Tab, the following screen will display. The Help Desk contact information and hours of availability are displayed in the blue shaded box. To access the Grants Online training, click the **Please click here to access Grants Online Training** link at the bottom of the screen.

Inbox Tab

Tasks

Email notifications alert the user to an action or task s/he must complete. When the user selects a task, s/he has the opportunity to complete the action that has been assigned to him/her within the workflow.

Access a Task

1. From the Inbox Tab, click the **Tasks** link. A list of the user's available tasks is displayed.

NOTE: To customize the look and feel of Grants Online, use the Account Management Tab. Details associated with the Account Management Tab are covered later in this document.

View a Task

1. Click the **View** link next to the task you wish to view.

Filter a Task

1. Select the Document Type from the dropdown list.

2. Specify the Status from the dropdown list.

3. Click the **Apply Filter** button.

4. The **Your Tasks** screen shows only the filtered tasks. In this example, only the Open (In Progress) RFAs are visible.

Account Management Tab

The Account Management Tab allows the user to view and update his/her profile; customize his/her notifications and task preferences; and delegate his/her Inbox to other users.

1. On the Account Management Tab, click the **My Profile** link.
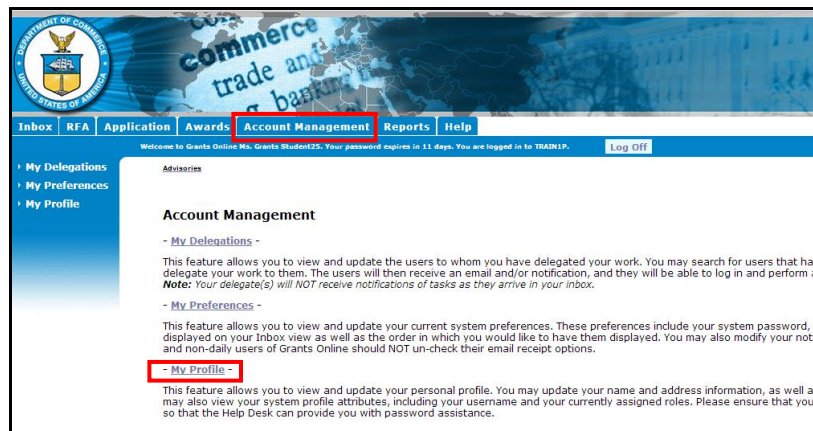

2. The Manage Profile screen is visible. Click the **Edit** link.

4. Scroll to the bottom of the screen and click the **Save** button. An indicator that data was saved is accompanied by the message "**Save was Successful**" and is displayed at the top left-hand corner of the screen. Although not required, it is strongly suggested that the user click the **Save** button after each modification.

5. The Security Questions section displays the current questions and corresponding answers. Initially, when a user logs into Grants Online s/he must specify this information. To change or update the questions, click the **Edit Security Questions** button.

6. From the screen displayed below, the user can modify his/her questions and answers. Click the **Save button** and updates are confirmed with the message "**Security questions saved successfully."** Subsequently, the user must click the **Save and Continue** button. If the user opts to just click the **Save and Continue** button, changes are saved but the message does not display.

If the user contacts the Help Desk for assistance with a password reset, s/he must provide an accurate response to <u>all</u> security questions. This assures the Help Desk that the user has the right to access the Grants Online account.

User Delegations

When the user selects the **My Delegations** link on the Account Management Tab, s/he will be able to view existing delegates, add delegates, and rescind delegates. A user can only select as a delegate a person with an access level that matches his/hers. For example, a certified program officer cannot delegate to someone who has a lower level of access (e.g., an uncertified Program Officer or a Program Office staff member). In addition to an equivalent level of access, the delegate must have the same organizational affiliation as the delegator.

Access User Delegations

1. From the Account Management Tab, click the **My Delegations** link.

Note: Your delegate(s) will NOT receive notifications of tasks as they arrive in your inbox.

- My Preferences -

This feature allows you to view and update your current system preferences. These preferences include your system password, the columns you would like to have displayed on your Inbox view as well as the order in which you would like to have them displayed. You may also modify your notification and email preferences. Recipients and non-daily users of Grants Online should NOT un-check their email receipt options.

- My Profile -

This feature allows you to view and update your personal profile. You may update your name and address information, as well as your security question and answer. You may also view your system profile attributes, including your username and your currently assigned roles. Please ensure that your security question and answer are current so that the Help Desk can provide you with password assistance.
